### APPROVAL OF JOHN P. PERKINS AS ACTING QUALIFIED PURCHASING AGENT

WHEREAS, earlier this year, P.L. 2009, c. 166 advised contracting units that did not have a Qualified Purchasing Agent (QPA) that their bid threshold was reduced to \$17,500 pending the contracting unit appointing a QPA; and

WHEREAS, at the same time, it was announced that the first examination for QPA certification would not be immediately scheduled, as it is pending the creation of an examination and related rules; and

WHEREAS, the Division has adopted a temporary rule that permits contracting units with individuals qualified to sit for the QPA examination to increase their bid threshold to \$26,000 (the bid threshold for contracting units without a QPA prior to January 1, 2011); and

- 1. Be a citizen of the United States, is of good moral character, and is a high school graduate or equivalent;
- 2. Successfully completed Principles of Public Purchasing I, II, III, and one of the Municipal Finance Administration courses, all as provided by the Rutgers Center for Government Services; or have been performing the duties of a purchasing agent (as defined at N.J.A.C. 5:34-1.2) for at least three consecutive years.
- 3. Possess two years of college education and two years of full-time governmental experience performing duties relative to public procurement. Additional years of experience may be substituted for the college education on a year-for-year basis.

WHEREAS, the individual must also attest that they will apply for either the first or second QPA certification exam, to be administered by the Division, and participate in such exam. They shall further agree that their test score shall be provided to the contracting unit; and

WHEREAS, if a contracting unit wants to take advantage of the new authority, an "Affidavit of QPA Qualification" must be completed by a qualified individual. The individual must certify that they possess the required education and/or experience and that they exercise the duties of a purchasing agent pursuant to N.J.S.A. 40A:11-2(30), with specific relevance to the authority, responsibility, and accountability of the purchasing activity of the contracting unit. The Affidavit must also be certified by the individual's supervisor, and chief executive officer of the contacting unit; and
